Dear High Commissioner,

**Congratulations - Toa Samoa**

It is with great pride and on behalf of all Fijians I offer our gratitude and heartiest congratulations for the scintillating and powerful performance by the Toa Samoa, defeating the England team in the Rugby League World Cup to qualify for the final against Australia.

A battle between two nations of Oceania and the Toa Samoa being the first team from the Pacific Islands to compete in the highest platform of Rugby League is a feat worthy of recognition. The team's commitment and determination has made them a team to be reckoned with in the finals of this World Cup.

I congratulate the entire Team, the Coach and support staff for such a great achievement and for exemplary leadership that has allowed the boys to reach the Mecca of Rugby League in the World.

Please convey to the entire Team our sincere best wishes for the finals.

With kind regards, well wishes and God's Blessings!
